Get Ready to SOAR!

SOAR (Student, Orientation, Advising and Registration) is a MANDATORY orientation program for all incoming students (new students, transfer students and non-traditional students).

During the summer of 2014, Dillard University will offer five (5) SOAR Sessions to all accepted students for the 2014-2015 academic year. These orientation programs will give incoming students the opportunity to complete the clearance and registration process in preparation for the start of the academic year.
