

ARTICULATION AGREEMENT  
BETWEEN

Dillard University  
2601 Gentilly Boulevard  
New Orleans, LA 70122

AND

THE NEW YORK COLLEGE OF PODIATRIC MEDICINE

This serves to record the understanding between Dillard University and the New York College of Podiatric Medicine (NYCPM). We, NYCPM, agree to accept into our first year class those students from Dillard University who have completed 90 credits at Dillard University.

These credits must include the following courses with at least our usual grade expectation in each:

Biology	8 credits	(1 Year)
Organic Chemistry	8 credits	(1 Year)
Inorganic Chemistry	8 credits	(1 Year)
Physics	8 credits	(1 Year)
English	6 credits	(1 Year)

Students must also fulfill the admissions requirements of the New York College of Podiatric Medicine which are:

A timely and satisfactory formal application

3 letters of evaluation of an acceptable level of endorsement

Official MCAT scores at least equal to NYCPM's current minimum

A satisfactory evaluation in a personal interview

In addition, students must have maintained a 3.00 grade point average (on a 4.00 scale) in all of their undergraduate course work. Dillard University agrees to accept, as transfer credits, those NYCPM courses which comprise part of the first year study of podiatric medicine. They will, for purposes of conferring a Bachelor's Degree from Dillard University, be regarded as Semesters 7 and 8 of the fourth year of a science major's curriculum.

These courses are:

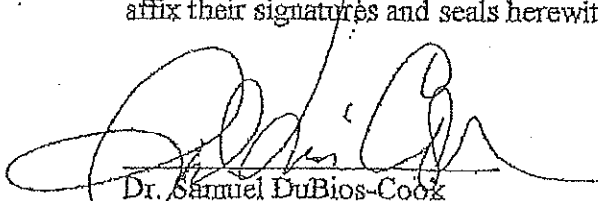

Biochemistry	6 credits
Bacteriology & Lab	4 credits
Cell Biology & Histology & Lab	6 credits
Physiology & Lab	8 credits
Immunology	3 credits
Neuroscience & Lab	3 credits

The granting of these credits is subject to the following conditions:

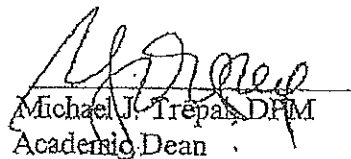

- a) Students enrolled in the New York College of Podiatric Medicine requesting transfer of credits must have completed each course with a grade of "B" or higher in order to receive transfer credit at Dillard University.
- b) The ultimate awarding of such transfer credits to a particular student remains the prerogative of Dillard University.

Although we anticipate a long and mutually satisfying relationship between our two educational institutions, this agreement may be discontinued for any reason providing that written notice is given 12 months prior to such discontinuation and that those students who have been accepted under this agreement be permitted to complete their course of study.

In agreement with all that has been outlined, on this date, March 27, 1995 both parties affix their signatures and seals herewith:

Dr. Samuel DuBios-Cook  
 President  
 Dillard University  
 2601 Gentilly Boulevard  
 New Orleans, LA 70122

Michael J. Trepak, DPM  
 Academic Dean  
 New York College of  
 Podiatric Medicine  
 1800 Park Avenue  
 New York, NY 10035
