

Office Locale: Stern Hall 221

Office Telephone: 504-816-4836

Email Address(es): aburkett@dillard.edu

Courses Taught:

Introductory Organic and Biological Chemistry and labs (103,104)

General Chemistry and labs (111, 112)

Organic Chemistry and labs (211, 212)

Analytical Chemistry and lab (301)

Inorganic Chemistry (306)

Research Interest:

Chemistry Education

Testing in Chemistry

Teaching Interest:

The Mathematics of Chemistry

University Services:

Division of the Natural Sciences and Public Health Promotion and Tenure Committee

SACS Credentials Committee

Professional Affiliations:

American Chemical Society, Journal of Chemical Education Division and Inorganic Chemistry Division.

Selected Presentations:

The Preparation of Multiple Choice Tests, Xavier University, Dillard University, Carnegie Mellon University, and Washington State University.

Selected Publications:

Introductory Chemistry, Burkett, A. and Sevenair, J., McGraw Hill, 1980.

Selected Grants:

Board of Regents
