

Laboratory Instructor in Chemistry
Major-Specialty: Analytical Chemistry
Office Locale: Stern Hall 222D
Office Telephone: 504-816-4445
Email Address(es): pmitchell@dillard.edu

Courses Taught:
General Chemistry Labs (111, 112)

Research Interest:
Teaching Chemistry via Distance/Virtual Learning

Teaching Interest:
Teaching chemistry with the aid of relative, practical ("real world") experiences and enhancing laboratory opportunities with online learning applications.

University Services:
Faculty Recruiter, HBCU-UP Summer Program Instructor, Campus Organization Advisor.

Professional Affiliations:
American Chemical Society (ACS)
National Organization of Black Chemists and Chemical Engineers (NOBCChE)

Selected Awards:
Excellence in Teaching Award (2000-2004) Gilbert Academy for Young Emerging Scholars Summer Program

Selected Grants:
Louisiana Board of Regents Support Fund Undergraduate Enhancement Grant, Instructional Enhancement for General Chemistry; PI, Pamela Mitchell; and Co-PIs, Sonya L. Caston and Lovell Agwaramgbo, 2008-09, \$45,000
