

Dillard President Dr. Walter Kimbrough launches a new lecture series "Brain Food" beginning April 18, 2013 with guest speaker, author and public intellectual Dr. Michael Eric Dyson. The free event is open to the public and is expected to draw a large crowd. Similar to his "Bless the Mic" lecture series held at Philander Smith University, Dr. Kimbrough will bring popular figures from politics, media, academia and entertainment sectors to speak on a variety of issues.
