

Dillard University has partnered with the National Student Clearinghouse to enhance the online transcript ordering service to our students and alumni.

Transcripts can be ordered via the Internet 24/7 through the National Student Clearinghouse.

- You can place as many orders as you like in one session using any major credit card.
- Your card will only be charged after your order has been completed.
- Order confirmations will be emailed to you.
- You can also track your order online using your email address and order number.
- Your signed consent may be required to fulfill your transcript order.
- For your convenience, a consent form will be generated from your order that you can return via fax, mailed or as a scanned email attachment.
