

[To make a gift to Dillard University, please click here.](#)

The Annual Fund is a continuous fundraising campaign through which unrestricted gifts of any amount from any source can be made to the University. A gift to the Annual Fund offers donors an opportunity to change lives. It provides Dillard with the foundation of support that is critical to continuing the tradition of excellence and heritage for all students.

The Annual Fund helps:

- Provide students scholarships
- Attract and retain highly qualified faculty and staff
- Strengthen the academic curriculum and outreach programs
- Provide access to the latest classroom technology

Annual Funds

Incentive Scholarships - Unrestricted funds to assist in the rebuilding of Dillard University after the devastating effects of Hurricane Katrina.

Dillard One Thousand - Donations of \$1,000 from a minimum of 1,000 alumni and friends annually. Donations will be used to enhance academic excellence and to leverage other private investments in Dillard University.

Matching Gift Program - You can double or triple your gift to Dillard University if your company has a Matching Gift Program. Please check with your human resources office to obtain the necessary paperwork.

Volunteer

The Dillard University Volunteer Program will involve a cross section of the Dillard family (students, alumni, retired faculty and staff, and others) in a variety of opportunities designed to showcase the University. Volunteers will serve as University Ambassadors, tour guides, special assistants for events, ushers and a host of other roles.
