8-Step Emergency Plan Summary (Weather Related)

1. DECLARATION OF EMERGENCY - The President authorizes the declaration of an emergency and immediately begins evacuation procedures once a tropical storm/hurricane reaches the Gulf of Mexico as a Category 3 Hurricane and the directional vector points north. (It is anticipated that such analysis should provide as much as three (3) days advanced warning.)

2. Crisis Decision Team reviews the situation (President, Executive Vice President, Director of Public Safety, and Director of University Communications).

3. Decision is made to assemble full Emergency Response Team (President, Executive Vice President, Senior Cabinet, Director of Public Safety, Director of University Communications, Facilities Management, SODEXO Dining Services, ITT, Human Resources, and University Nurse).

4. President (or designee) declares emergency/crisis status and gives instructions to ensure maximum coordination to Executive Vice President and Emergency Response Team.

5. Emergency Response Team begins implementation of plan based on the nature of the situation.

6. Emergency Response Team assembles as frequently as necessary to provide status updates.

7. During the emergency, members of the response team will handle tasks as assigned.

8. Recovery procedures will be implemented and the university will begin to return to business as usual after the President declares "all clear."
