

The 2012 Spring Open House at Dillard University was another huge success. So says Monica White, Coordinator of Campus Tours and Special Events who lead the effort to promote Dillard University to prospective students and their families.

"In the five years working here, this has been by far the largest and most successful Open House", she adds.

Dillard faculty, staff, students and alumni pooled their talents and resources to welcome close to 300 visitors to the campus on Saturday, Mar. 24, 2012. Visitors from as far away as Maryland, Arkansas, Texas, Virginia, Georgia, Alabama, Mississippi and other towns in Louisiana had positive feedback to share about their visit and the university.

One student said on their survey, " I have officially fell in love with Dillard."

Dillard University thanks all participants for their efforts and looks forward to seeing future students back on campus.
