

2012 marks the 25th anniversary of the UNCF New Orleans Walk for Education! UNCF invites everyone to celebrate this milestone in order to raise funds to help Louisiana students get to and through college. The event takes place on **Saturday, October 13, 2012**, with the race beginning at the Audubon Park Riverview, 8 a.m.

Each year, the Walk for Education attracts thousands of students, parents, educators and community members who believe that education is a priority for everyone. This year the Dillard University (DU) staff, faculty and students, and the DU Alumni have formed teams. Both groups have been added to the UNCF Team Honor Roll. The competition between Dillard and Xavier Universities to raise the most money is legendary and continues this year as well. Dillard's goal is to raise \$16,000.

"This cause is important to the members of our team because it will make education accessible to everyone by eliminating financial barriers for deserving students," says Dillard team organizer, Travis Chase.

Walkers, supporters and participants are asked to register for the DU team by [clicking on this link](#). For more information, contact Travis Chase at tchase@dillard.edu.
