

Dillard University will pay tribute to Dathel and John Georges and the Galatoire's Foundation at the dedication of the Georges Auditorium in the new Professional Schools and Sciences Building on Thursday, Nov. 18, at 6:30 p.m. The dedication is open to the public and refreshments will be provided by Galatoire's Restaurant.

The program will feature music by the Dillard University choir, and remarks by the Georges and actor Wendell Pierce (HBO's "Treme").

Dathel and John Georges and the Galatoire's Foundation made a major donation this year to Dillard University for academic scholarships.
