

The Bursar's Office is the central billing Student Account System where students are billed for most of the charges due to Dillard University. Among the items included within this system are those for university fees, housing, and parking. Other charges are included in the system as deemed appropriate. In addition to regular billing statements through this system, "Schedule Confirmations/Fee Bills" are mailed separately. The Student Accounting System is designed to be as a convenience for you, with the majority of the students able to conduct university business by mail.

Please be informed of the policies and procedures regarding your account as outlined on this page. It is important that you fully understand what actions are required of you, and when these actions must be taken. We encourage you to come to the Bursar's Office or contact us via telephone or e-mail should you have questions regarding your financial relationship with the university.
