

Financial Clearance Policy:

Students are required to have a zero balance with the university to obtain financial clearance for membership intake. If the balance is not zero, financial clearance will be granted if the following two conditions are met:

- There are financial aid awards pending that will bring the account to a zero balance. Work study awards will not be considered in our calculations.

- If the student is on the tuition payment plan for the semester he/she is applying for membership in an organization, the student's account will be examined to determine if there is an acceptable payment history. If there is a history of checks returned for insufficient funds or past-due payments, financial clearance will not be granted.
