

To change your network password, you must be logged on to a computer on the campus network (computer lab):

1. Press <Ctrl>+<Alt>+<Del> simultaneously.
2. Select <Change Password>
3. Follow the instructions on the screen to change your password.  
Please remember your password. IT can only change your password during regular business hours: 8:00 a.m. - 4:30 p.m.
