Become a Sponsor

Becoming a sponsor of the National Association of Black Accountants, Inc. - Dillard University Chapter is a great way to support NABA's unique work and promote your business. Your contribution will support our scholarship fund, events, and programs that we will host throughout the 2008-2009 collegiate academic year. These events include professional meetings, community service, social events, and attendance at regional and national conferences.

In order to adequately begin preparation for the upcoming semester, so that our members may fully reap the benefits our organization has to offer, we ask for the support from our surrounding business community. We have prepared this sponsorship packet to familiarize your company with The National Association of Black Accountants, Inc.
