

Dillard University alumni are part of a network of international leaders. They represent hundreds of professions, including medicine, nursing, education, law, business, and the arts and entertainment, among many other fields and we are proud of their many accomplishments.

We thank our many alumni for their support, encouragement, and participation as we continue to transform Dillard University.

Please visit this site often to keep up to date on campus activities and news about our university. Feel free to contact the Office of Alumni Relations if there is any way we may be of assistance to you.
