Dillard Choir performs at the White House

When the Dillard University choir sang "Amazing Grace" at the White House, it was a historic moment for the school. The choir, which has been performing for over 50 years, was invited to perform at the White House as part of a series of events celebrating the school's 100th anniversary. The choir's performance was a highlight of the day, and the school's president, Dr. James H. Williams, Jr., was present to see the choir perform. The choir's performance was a testament to the school's rich musical heritage and its commitment to excellence in education.
