Your assistance is urgently needed to secure financial support to fortify the electrical and technological infrastructure of Dillard’s campus. Recent damage to our electrical infrastructure temporarily disrupted our operations threatening our ability to continue to produce stellar outcomes for our students who, like the generations of Dillard graduates before them, are destined to change the world.

Your investment will help us to redesign a more powerful, energy-efficient system that will REDUCE OUTAGES, SAFEGUARD AND EXPAND CRITICAL INDUSTRY TRAINING programs, PROMOTE LEARNING in environmentally SAFE, TECHNOLOGICALLY ADVANCED SPACES resulting in more well-trained, well-educated LEADERS.

With faith,
Rochelle Ford, PhD.
President

“Write Your Legacy”. Donate to the Emergency Sustainability Fund today!

THE GIFT

Dillard University is not just the oldest HBCU in the State of Louisiana, in addition to our stellar academic programs, we are proud of our rich, 150-year legacy of cultivating generations of leaders who have impacted communities the world over (including the first Black woman to appear on the cover of Fortune Magazine, the first Black President of an Ivy League College, the first Black woman on the Executive Committee of American Express, and the first Black Chief Judge of the Fifth Circuit.) Like our current students, these history makers were supported by our infrastructure, our historic buildings.

I invite you to join with me in supporting this effort. Your contribution can help us to produce more history makers."

Michael D. Jones, Esq., ’82 - Benefactor

THE LEGACY …

- Oldest HBCU in Louisiana
- Among top three producers of African American physics graduates
- Ranked 5th on the New York Times Overall Mobility Index
