ROOM ASSIGNMENT
Click here to view your room assignment and roommate information (if applicable) via myDU, login is required. Unfortunately, suitemate information is not available for viewing. You will meet your suitemate(s) during move in.

PREFERENCES
As mentioned in our emails, all room preferences are not guaranteed to be honored. During the assignment process we tried to honor at least one of your preferences (i.e. roommate matching preference, residence hall, roommate, or room type).

For Example:
1) Your preferred roommate may have not been registered at the time you were assigned or applied too late.
2) You may not qualify for the hall you chose.
3) The roommate(s) you selected did not choose you.
4) The roommate(s) you selected did not submit a 100% completed application.
5) The roommate(s) you selected started and application and it's in "active" status.

HALL ASSIGNMENTS
Dillard University has a partnership with SUNO Housing to provide students an opportunity to matriculate through college who may have not been able to do so without University housing. Please be respectful of SUNO staff as they are also preparing for resident move in. Visiting the property is not encouraged at this time. All Dillard students residing at SUNO must direct questions to our office.

Remember: New students are assigned to traditional residence halls on campus: Camphor, Williams, and Straight. Click the links to view hall pics or click here to take a virtual tour. You may also view our move-in day gallery photos online.

Go to the Res Life page on myDU for more information!

GOT QUESTIONS? CLICK HERE TO SUBMIT AN ONLINE TICKET!
Dillard University is asking each student to contribute to a safe and vibrant on-campus experience by getting vaccinated. In keeping with this goal, the University requires students to provide proof of complete COVID-19 vaccination. We are writing today to highlight that essentially you should receive your first dose over the next several days in order to meet the July 15th deadline.

This is important to note because if you have received a housing assignment and are not in compliance with the vaccine requirement by the July 15th deadline, your assignment could be moved to the waiting list to accommodate students who need housing and are in compliance with the requirement. Please send a copy of both sides of your vaccine card to studenthealth@dillard.edu.

As a reminder, two of the FDA authorized vaccines have a dosage process which takes 3 or 4 weeks to complete. The Pfizer vaccine, for example, requires a 21-day wait time between doses and the Moderna vaccine requires 28 days between doses. The Johnson and Johnson vaccine is one dose. Any of these vaccines are permissible to meet the university requirement, however, please speak with your medical provider about which of these aligns with your medical profile.

Here are the approximate deadlines to begin the dosage cycle to meet the 7/15 deadline (first dose should be administered no later than: )

- Moderna – June 16th – 1st dose
- Pfizer – June 23th – 1st dose
- Johnson and Johnson – July 15th (only one dose required)

Remember that these dates are general guidelines as you should contact your local provider or pharmacist to determine the availability of the vaccine for your area. Local students please let us know if you are in search of vaccine sites.

We look forward to welcoming you back in the Fall! Please do your part to contribute to a safe and interactive campus environment. Have a great summer.

FALL MOVE-IN DAYS
- August 11, 2021 – Incoming Students (New, Transfer, Re-Admit, International)
- August 13, 2021 – Continuing Students

View the Academic Calendar for all move-in and move-out dates. Early arrival requests will not be granted. In keeping with COVID-19 mitigation across campus, we will limit the number of persons allowed in the residence halls (and apartment areas) per student.

Stock up on disposable gloves and cleaning supplies for your living and shared areas (i.e. bedroom, bathroom, shower, kitchen and living room). Detailed information outlining move-in sign-up appointments will be included in our future newsletter.

MOVE-IN EQUIPMENT
- To reduce the spread of germs, all residents are encouraged to bring their own move-in supplies if possible, such as carts, dollies, or hand trucks.
- Limited carts will be available for use at the building front desk.

CONSIDER PACKING THESE ITEMS RELATED TO COVID-19
- Cloth face coverings
- Gloves
- Hand sanitizer (at least 60% alcohol content)
- Antibacterial bar or pump soap and paper towels
- Disinfectant and cleaning products (sprays and/or wipes)
- Personal thermometer
- Throat lozenges/cough drops
- If applicable and possible, an extra month supply of any prescription or over-the-counter medications (i.e., acetaminophen, ibuprofen, etc.)
- Insurance card
- Name of phone number of primary care health care provider
- Any resources needed to complete coursework remotely
RESIDENCE HALL
PACKING LIST

Knowing what to pack for college can be overwhelming. While everyone is different, use this packing list as a tool to get you started. It's best to avoid using lists provided by stores or posted online because they often contain prohibited items.

BEDROOM
